Dr. Sherman is a member of the American Academy of Sleep Medicine and the American Academy of Dental Sleep Medicine.

Snoring and Sleep Apnea can impact more than you think . . .

Hear what our patients have to say:

Dr. Sherman fit me with an oral appliance to help with my night breathing. . . I am well-pleased. . . The quality of my life has been much improved. James B.

After just a few nights my husband said my snoring was barely audible if even there. I wake up more refreshed and do not wake up catching my breath anymore. Lois G.

What a difference the oral appliance makes. I am sleeping soundly and feeling refreshed in the morning. Wish I
